2019 Rules

Modified **2019 IJF** rules will govern the tournament. IJF interpretation of transition between ne-waza and tachi-waza will be implemented. Additionally, leg grabs are penalized by shido, and 3 shidos warrant hansoku-make.
At the current time, there will be no chokes or armbar in novice divisions.

A white uniform, white belt, and blue belt are required by all judoka. If you are assigned to white and have only a blue uniform, you could forfeit the match.

Kosen Divisions (groundwork only)

Kosen Divisions (groundwork only) will be offered for both males and females for ages 11 yrs & up, with age and weight classes the same as those described for Judo divisions. Divisions may be modified or combined at the discretion of the tournament director to facilitate competition.

Kosen Divisions will follow standard 2018 IJF newaza rules, with the following modifications:

1. Uniform regulations will be relaxed to include Jiu-Jitsu styles and colors.
2. Kosen match time will be 3 min. for all divisions. Golden score is limited to 2 min. for all divisions. If after this time there is no score, the winner will be decided by referee/judge's decision.
3. Players will bow to each other at a distance of 2 meters and wait for start (hajime) to be called. Players may adopt any posture standing or on the mat and may transition to guard without false attack penalties.
4. If during the match there is no progression for a period of 15 seconds or both players move out of bounds, the referee may call matte, and players will restart in the center.
5. A point (waza-ari) will be awarded for all takedowns that finish with control (pins). Finishing in an opponent's guard does not indicate control.
6. A point (waza-ari) will be awarded for any pin (osaekomi) of 5 or more seconds.
7. A penalty (shido) will be given for the following:
 - a. if a player intentionally contacts the face with arms, legs, or wraps the opponent's lapel across his/her face
 - b. if a player repeatedly avoids another and makes no movement towards a technique
8. The following acts warrant disqualification (hansokumake):
 - a. dangerous bending of the opponent's spine or neck (as in guillotine or Gerbi chokes)
 - b. locks to joints other than the elbow (no ankle, knee, wrist, etc. locks)
 - c. chokes using bare hands or fingers or applying direct pressure to the trachea with hands
